PROGRAMME OVERVIEW · CIAI.AI/AI-PROFESSIONAL-360

Practical and generative AI

Use today's tools on real work, and understand what they can and can't do.

AI agents

Learn to supervise systems that act — and where the human must decide.

Prompting and orchestration

Direct AI well, then chain tools into workflows that hold up.

Responsible AI

Check AI's work, spot when it is wrong, and keep judgment where it belongs.
